

## Advanced FRx Training Class

Please join us for an advanced FRx training class, specifically designed for users of Microsoft Dynamics GP (formerly known as Great Plains). This class will go beyond the basics of creating financial reports with the FRx building blocks. Altico's certified FRx trainer will walk you through some of the more advanced features of FRx reporting, such as creating reports by linking to external spreadsheets, multi-company consolidations and multi-currency reporting.

FRx is a powerful tool. The advanced features covered in this class will help you use FRx to the fullest advantage.

Here are the course highlights:

- Linking to external spreadsheets
- Multi-currency reporting
- Advanced formatting concepts
- Multi-company consolidations
- Optional row modifiers and eliminations
